## **ABOUT CONAIR HOSPITALITY**

A leading manufacturer of personal care products and kitchen appliances, Conair, has built a hospitality business that offers a full line of high-quality in-room amenities for virtually every possible accommodation. Along with Conair-branded hair dryers, mirrors, steam irons and clock radios, this diverse product ensemble also consists of products from other globally recognized brands, including Cuisinart.

At the heart of the Conair Hospitality assortment are the company's hair dryers. The industry leader for more than 50 years, Conair is synonymous with professional performance.

For extended stay, timeshare, or any hospitality room setting; Conair Hospitality also offers a full line of small appliances and cookware under its Cuisinart brand.

Whether it's a brief overnight or a long-term stay, Conair Hospitality helps to ensure that guests are receiving top-shelf service with a high-performance product assortment that represents the best in its class. Guests will take comfort in using products bearing the brand names of the Conair Hospitality family – the trusted brands they have at home, and number one choice of consumers for decades.

# GLASSWARE

**The Cuisinart® Elite Vivere Collection gives brilliance a whole new meaning.**

**Constructed of lead-free crystalline glass with titanium, the clarity of this premium stemware collection is exceptional. Four styles are available for red wine, white wine, Burgundy and Champagne, and that touch of titanium means each glass is as durable as it is beautiful. Cheers!**
